Lock Repair and Handling

We take great pride in the quality of our products and the years of service our customers get from their lockers. We know our products can take a beating over the years and we have a skilled and dedicated team in the lock shop to get your locks back in service in a timely fashion.

Lock Handling and Repair	Handling inspection, cleaning, and packaging for locks returned to the Service Center where a cylinder exchange is required, patron cylinder and key extra inspections, performing, simple/major part replacement, adjustment and packaging for locks that may require disassembly of lock mechanism. Parts such as coin selector, retarding spring, control cap, etc. are covered.	\$8500 each lock
Lock Fee Conversion	\$85.00 each lock plus parts for the conversion.	
Note:	Damage to lock faceplate, coin chute, bolt housing or meter (if equipped), are not repairable. A new lock will be supplied at <u>new lock price.</u>
